Re : CG Docket Nos. 03-123 and 10-51

Sirs,

We at the Orange County Deaf Advocacy Center want to express our support for the efforts and ambition by the Federal Communications Commission to recapture the order of the Video Relay Services (VRS) back from the grips of the VRS companies. We understand its a monumental task akin to slowing down a runaway train with meager resources and we will continue to support these efforts presently and into the future.

Yours in sincere,

Richard Roehm
Chairman
